Best Commonwealth Games memory

Embarrassing moments

I was given the wrong time for my first ever national under-25 singles semi-final which meant being scratched. Probably plenty more but I'll save them for my book when I retire.

Dream dinner party guests

Apart from my wife? Alex Ferguson who I have admired from my football teams of Aberdeen and Manchester United, and also I'm sure he may bring a nice bottle of red wine. Bryan Adams so he could sing our wedding song, Heaven. Cindy Crawford to add some glamour as I had a bit of a schoolboy crush on her, and my last guest would be a comedian to keep us entertained.

Who would play you in a film of your life?

Mel Gibson, as I'm a passionate Scot and he played that part well in *Braveheart*.
