Bowling highlights

Winning National singles 2016 and then following it up with bronze medal in the Champion of Champions in Australia.

What are you looking forward to most at GC 2018?

Just looking forward to the whole experience being involved with Team Scotland and also competing on the Broadbeach greens, which is an excellent set-up.

Embarrassing moments

When I was younger I never noticed someone swapped my sticker and it resulted in a wrong bias. I always check now.

Dream dinner party guests

Probably the cast of *A League of their Own*.

Who would play you in a film of your life?

The darts player Mensur Suljovic as apparently I look like him, although I don't see it!
