

# BOWLING CLUB TEAMWEAR

## ABOUT KUKRI

At Kukri Sports we have been producing bespoke teamwear since 1999. Our mission from the outset was to give teams a choice, an identity and to be proud of their colours.

With quality product and a professional service, we quickly established ourselves as a leading sports brand. From humble beginnings, we now pride ourselves on being an international sportswear manufacturer supplying bespoke teamwear and leisurewear across multiple sports.

Kukri supplies a complete range of coordinated and modern custom sportswear. Using the latest sports performance fabrics, Kukri's range is easy to wear and care for and is perfect for bowling. We have a wide range of designs ready to colour in your club colours or alternatively let our designers create a unique design for you.
