

Introducing a great new way to raise funds for your sports club, at no extra cost, when you shop, eat out, book hotels and lots more.

Find out how easy it is to raise funds for your club by visiting Fantastic Fanatics at www.fantasticfanatics.com

Involve Your Club

Make sure your club is signed up to Fantastic Fanatics. It takes less than 5 minutes.

Spread the word

For clubs to benefit all fans have to do is securely link their everyday payment cards (Visa and Mastercard). The more fans on board, the more funds for your club.

In-store

Commission is automatically paid to the club with each in-store transaction at one of our retail partners using a registered Visa or Mastercard card.

Shop Online

Clubs also receive commission when fans shop with hundreds of retail partners from the Fantastic Fanatics website.

Tracking Performance

Clubs and fans can track individual and collective fundraising through their dashboards, and clubs can see their best performing fans.

Members Rewards

Fans are rewarded with retailer offers and are automatically entered into cash prize draws. We run competitions and prize giveaways on social media, so be sure to like and follow us.

Club Payments

Earnings are paid straight into the club bank account every calendar quarter, with an alert email confirming payment.
