

Bowls Scotland COVID Guidance – Off Season (Additional Information)

Scottish Government has introduced a new strategic framework document for managing COVID-19 became effective from 2 November 2020. This provides a 0-4 Level approach to restrictions with each local authority area (or sub-area) placed in a relevant protection Level depending upon its COVID-19 status which will be reviewed weekly. Clubs and participants should be aware of their local area protection level and associated restrictions which may be in place and should consider this as part of risk assessment planning. Broad guidance for sporting activity which should be followed within each Level is set out in the table below. When taking part in sport, exercise or recreation participants should at all times follow Scottish Government 'stay at home' guidance.

Bowls Scotland continues to fully support and follow the Scottish Government guidelines relating to COVID-19, ensuring the safety and wellbeing of all members of Bowls Scotland. This brief document provides further information for clubs during the off season and is in line with the Scottish Government's Coronavirus (COVID-19): Scotland's Strategic Framework.

Club Meetings refers to the document to support Bowls Scotland affiliated clubs around holding club committee meetings and annual general meetings during the current pandemic. This guidance can be found [here](#). **Please note for Level 3 and 4 only virtual meetings are permitted.**

Carpet Bowls and Short Mat Recommendations for Play refers to the document developed to support Bowls Scotland affiliated clubs in delivering Carpet Bowls and/or Short Mat within their club house facility. This guidance can be found [here](#). **Please note for Level 3 and 4 this is not permitted.**

For Bingo, please note that face covering must always be worn, except when eating or drinking. **Please note for Level 3 and 4 this is not permitted.**

A reminder to clubs:

- Appropriate risk assessments should be in place for ALL activities and the club must ensure social distancing and good hygiene measures are followed. Face coverings must also be worn when not sitting at a table e.g., moving around the club house.
- Clubs must appoint someone responsible for ensuring the club has met all the relevant requirements for opening. This person, or COVID Officer, is the designated person (or a group of people) for all things related to COVID at the club. A short online e-learning module is available to support clubs: https://rise.articulate.com/share/gnk3gPoxD30r_1rmijUPJipuOksCwGs9#/
- People who are symptomatic and household members should self-isolate for 10 days as per NHS Scotland guidance. No one who is self-isolating should attend a sports facility or activity.
