

Bowls Scotland Guidance for Club/Association AGMs and Meetings during COVID-19

COVID-19 has created challenges for the management and running of clubs. Clubs should refer to the Bowls Scotland Return to the Green Activity Overview document for details on when face to face club meetings can take place. Please find some information on things to consider for your club's AGM and committee meetings.

Annual General Meetings (AGMs)

If your club is due to run an AGM and face to face meetings are not permitted, there are a couple of options to consider:

- Delay/postpone convening the AGM
- Run the AGM virtually

Committee Meetings

Clubs and associations need to think about how best to keep everyone safe and should consider the following alternative ways of holding meetings at this time:

- Virtual Meetings via zoom, skype, GoToMeetings etc.
- Communicating via email
- Communicating via group chat (Facebook Messenger/WhatsApp)

There is further information that Harper MacLeod have produced in this document to also give some support to sports clubs around holding their meetings, please see below.
