

## Bowls Scotland Club Crisis Fund – Note of Interest Form

The Bowls Scotland Club Crisis Fund has been setup to provide grants to clubs that find themselves in financial difficulty directly because of the COVID-19 pandemic. The primary intention of the fund is to help clubs to stabilise and manage cash flows over this difficult period. The fund will provide grants of up to £500 to cover green maintenance; rent; utilities; and loss of income.

The fourth cohort of crisis fund applications, will be a two-step process to ensure clubs in the most need are financially supported. To help us assess if your club meets the criteria for application, please complete the eligibility checker.
