

How long has your club been using Castle Water?

Approximately 5 years.

What made the club decide to switch to Castle Water?

I took over the club's affairs with the sole aim of survival of a very small village club in mind and reducing running costs in general.

What level of service have you received?

The support, help and advice has been excellent.

How much money has the club saved since switching to Castle Water?

Our savings were approximately 30%.

Would you recommend Castle Water to other clubs?

Yes, I would highly recommend the company to any other bowling club for keeping well within the market pricing and the rapid solving of any issues.
