

BOWLS SCOTLAND MOBILE PHONE POLICY

Policy Statement

It is recognised that smartphones contain a wide variety of functions which can be susceptible to misuse. Misuse includes taking and distribution of indecent images, exploitation and bullying. Misuse of smartphones can cause distress to individuals, impact on self-confidence and mental well-being, as well as impact on privacy and right to confidentiality. Such concerns are not exclusive to children and young people.

It is appreciated that it can be very difficult to detect when smartphones are being used, particularly in relation to additional functions. The use of all mobile phones is therefore limited, regardless of their capabilities. There are 'mobile phone free' areas within the club setting. These are areas that are the most vulnerable and sensitive:

- Changing Rooms
- Toilets
- Shower Areas

There is a zero-tolerance policy in place with regards to use of mobile phones by any individual in these areas.

Policy Objectives

The aim of the Mobile Phone Policy is to promote safe and appropriate practice through establishing clear acceptable use through guidelines. This policy applies to Bowls Scotland staff, volunteers, support staff and coaches / club members and relates directly to the appropriate codes of conduct.

- Participating in phone calls that include elements of the above

Consequences due to Inappropriate Use:

Breaches of the Acceptable Use of Mobile Phone Policy will be dealt with in accordance with the Bowls Scotland's / Club disciplinary procedures and depending on the nature of the breach may be subject to criminal proceedings.

I understand that if I do not follow the Acceptable Use of Mobile Phone Policy, any/all the following actions may be taken by my club and/or Bowls Scotland:
