Bowls is one of the biggest participation sports and most successful commonwealth games sports in Scotland with 816 clubs and over 50,000 playing members. This is an exciting time for Bowls Scotland as we finalise our new 4-year strategy, building on the success of the last 12 years.

We are seeking to recruit a highly skilled, experienced and knowledgeable individual to join the Board as Director of Finance. The successful candidate will help shape the future of the sport by offering strategic advice and support to the Board and key staff members.

As well as reporting to the Bowls Scotland Board on financial matters, the Director of Finance will work in collaboration with Board members and staff to guide the strategic direction of Bowls Scotland and monitor the delivery of the Bowls Scotland Strategy and Annual Business Plan.

In return for the above, we will provide formal and informal learning and development opportunities and a positive, inclusive and engaging environment to allow for professional development and growth. Our values are central to everything we do, with teamwork and creativity encouraged and celebrated.

It is anticipated that attendance will be required at up to eight on-line Board meetings per annum plus any strategy meetings or subgroups as appropriate. There will be regular communication with the Chair of the Board, CEO and other appropriate senior staff members.
