If any club would like to enquire about running their own course, please check the criteria below;

- **Minimum of 6 participants (Multiple local clubs can link together)**
- **Be able to provide a suitable green/venue for course/workshop**
- **Work with Bowls Scotland to find suitable dates for tutors**

COACHING QUALIFICATIONS

Bowls Scotland is committed to developing and delivering accessible education and development opportunities for coaches and club volunteers across Scotland. A benefit of affiliation to Bowls Scotland is 50% discounted coach education courses.

We are providing accessible world leading learning and development opportunities for coaches and volunteers. We are also providing more opportunities for women and girls to play, coach, volunteer, and lead.

Please see below a full list of courses currently available to all clubs in Scotland to access. Due to feedback from clubs, we deliver a lot of our Education courses during the winter months at Indoor clubs so as to avoid outdoor competitions etc, however we are happy to deliver at outdoor clubs should this be part of a request. Coaches do not need to be Indoor Bowls players to access indoor education opportunities.

If you cannot access any of the opportunities below, please look to our Request a Course option above.

INTRODUCTION TO VISUALLY IMPAIRED DIRECTOR TRAINING

Visually Impaired players are permitted the use of a Director (or guide) to assist them on the green during practice and competition. To increase the number of high quality Directors involved in our competition and our National Squads, we are leading a FREE bespoke Training session to learn how to take up these vitally important roles.

There will also be a Talent ID session for all Visually Impaired bowlers to attend, which will allow people attending the training session to get hands on experience with players in a competitive environment.

EMBRACING EQUALITY IN SPORT

This session, led by Heather Williams from Scottish Women's Budget Group, will provide an opportunity to consider the role that sport has in addressing inequality in Scotland and the benefits of promoting inclusivity to your club. We will look at the legal framework clubs operate in and the responsibilities this places on them, as well as exploring the actions that you can take to promote inclusivity.

By the end of the session, participants will:

- Understand the rights and responsibilities we have in relation to equalities legislation.
- Be able to identify interventions they can use to promote inclusivity and the benefits of doing so.
