ALTERATIONS TO THE FORMAT & LENGTH OF GAMES

PROCEDURE FOR APPLYING TIME LIMITS

- Start of Play – Play will commence with the appointed official signalling the start time by a bell, horn, etc.
- End of Play – At the completion of the allocated time, the appointed official will signal the end time of play by a bell, horn, etc. At this time players will complete the current end they are playing. (The start of an end is determined by the delivery of the jack by the first player in that end).

RE-SPOTTING THE JACK

- If a jack in motion passes completely outside the boundaries of the rink of play, comes to rest in any hollow in the face of the bank, or rebounds to a distance of less than 20 metres from the mat line, the end should not be declared dead. Instead, the jack should be placed with the nearest point of the jack to the mat line at the central 2 metre spot.
- If the spot is partly or completely covered by a bowl, the jack should be placed as close as possible to the covered spot, in line with that spot and the corresponding spot at the opposite end of the rink, without touching a bowl. Law 56.5.4.
