FOREWORD FROM PROVOST IAIN CAMPBELL

As Provost of South Ayrshire, it is a pleasure for me to welcome you to our town of Ayr for the Bowls Scotland National Championships.

Once again Ayr Northfield is the venue for this very prestigious competition which will be hotly contested by many of the best bowlers in the country.

Each year competitors, spectators, visitors and residents come to Northfield to witness the top class bowling action that this Championship creates and this year we will witness again a very exciting event.

I am sure for many of you this will not be your first time to these Championships and you will already be aware of all we have to offer in and around Ayr. And for those of you whose first visit this is, please take some time to look around Ayr and South Ayrshire, you won't be disappointed.

As always I am sure the competition will be a huge success. Events like this do not just happen. They take meticulous planning, organisation, vision and a lot of time and everyone should be rightly proud of what they have achieved. I would like to commend them all for their hard work, commitment and effort involved.

I hope you all enjoy the competition and your stay in Ayrshire.

Provost Iain Campbell

PRESIDENT'S ADDRESS

As President of Bowls Scotland I would like to welcome all players and supporters to the 2025 National Championships finals.

I have been involved in the organising of the event for the past few years and this year we have more players than ever before qualifying. There are almost all 32 districts represented in all the disciplines from Youths right through to Over 55's which is great for our sport.

A huge congratulations goes to all the players, it is a great achievement to reach this stage. I hope you all play your best and enjoy the experience.

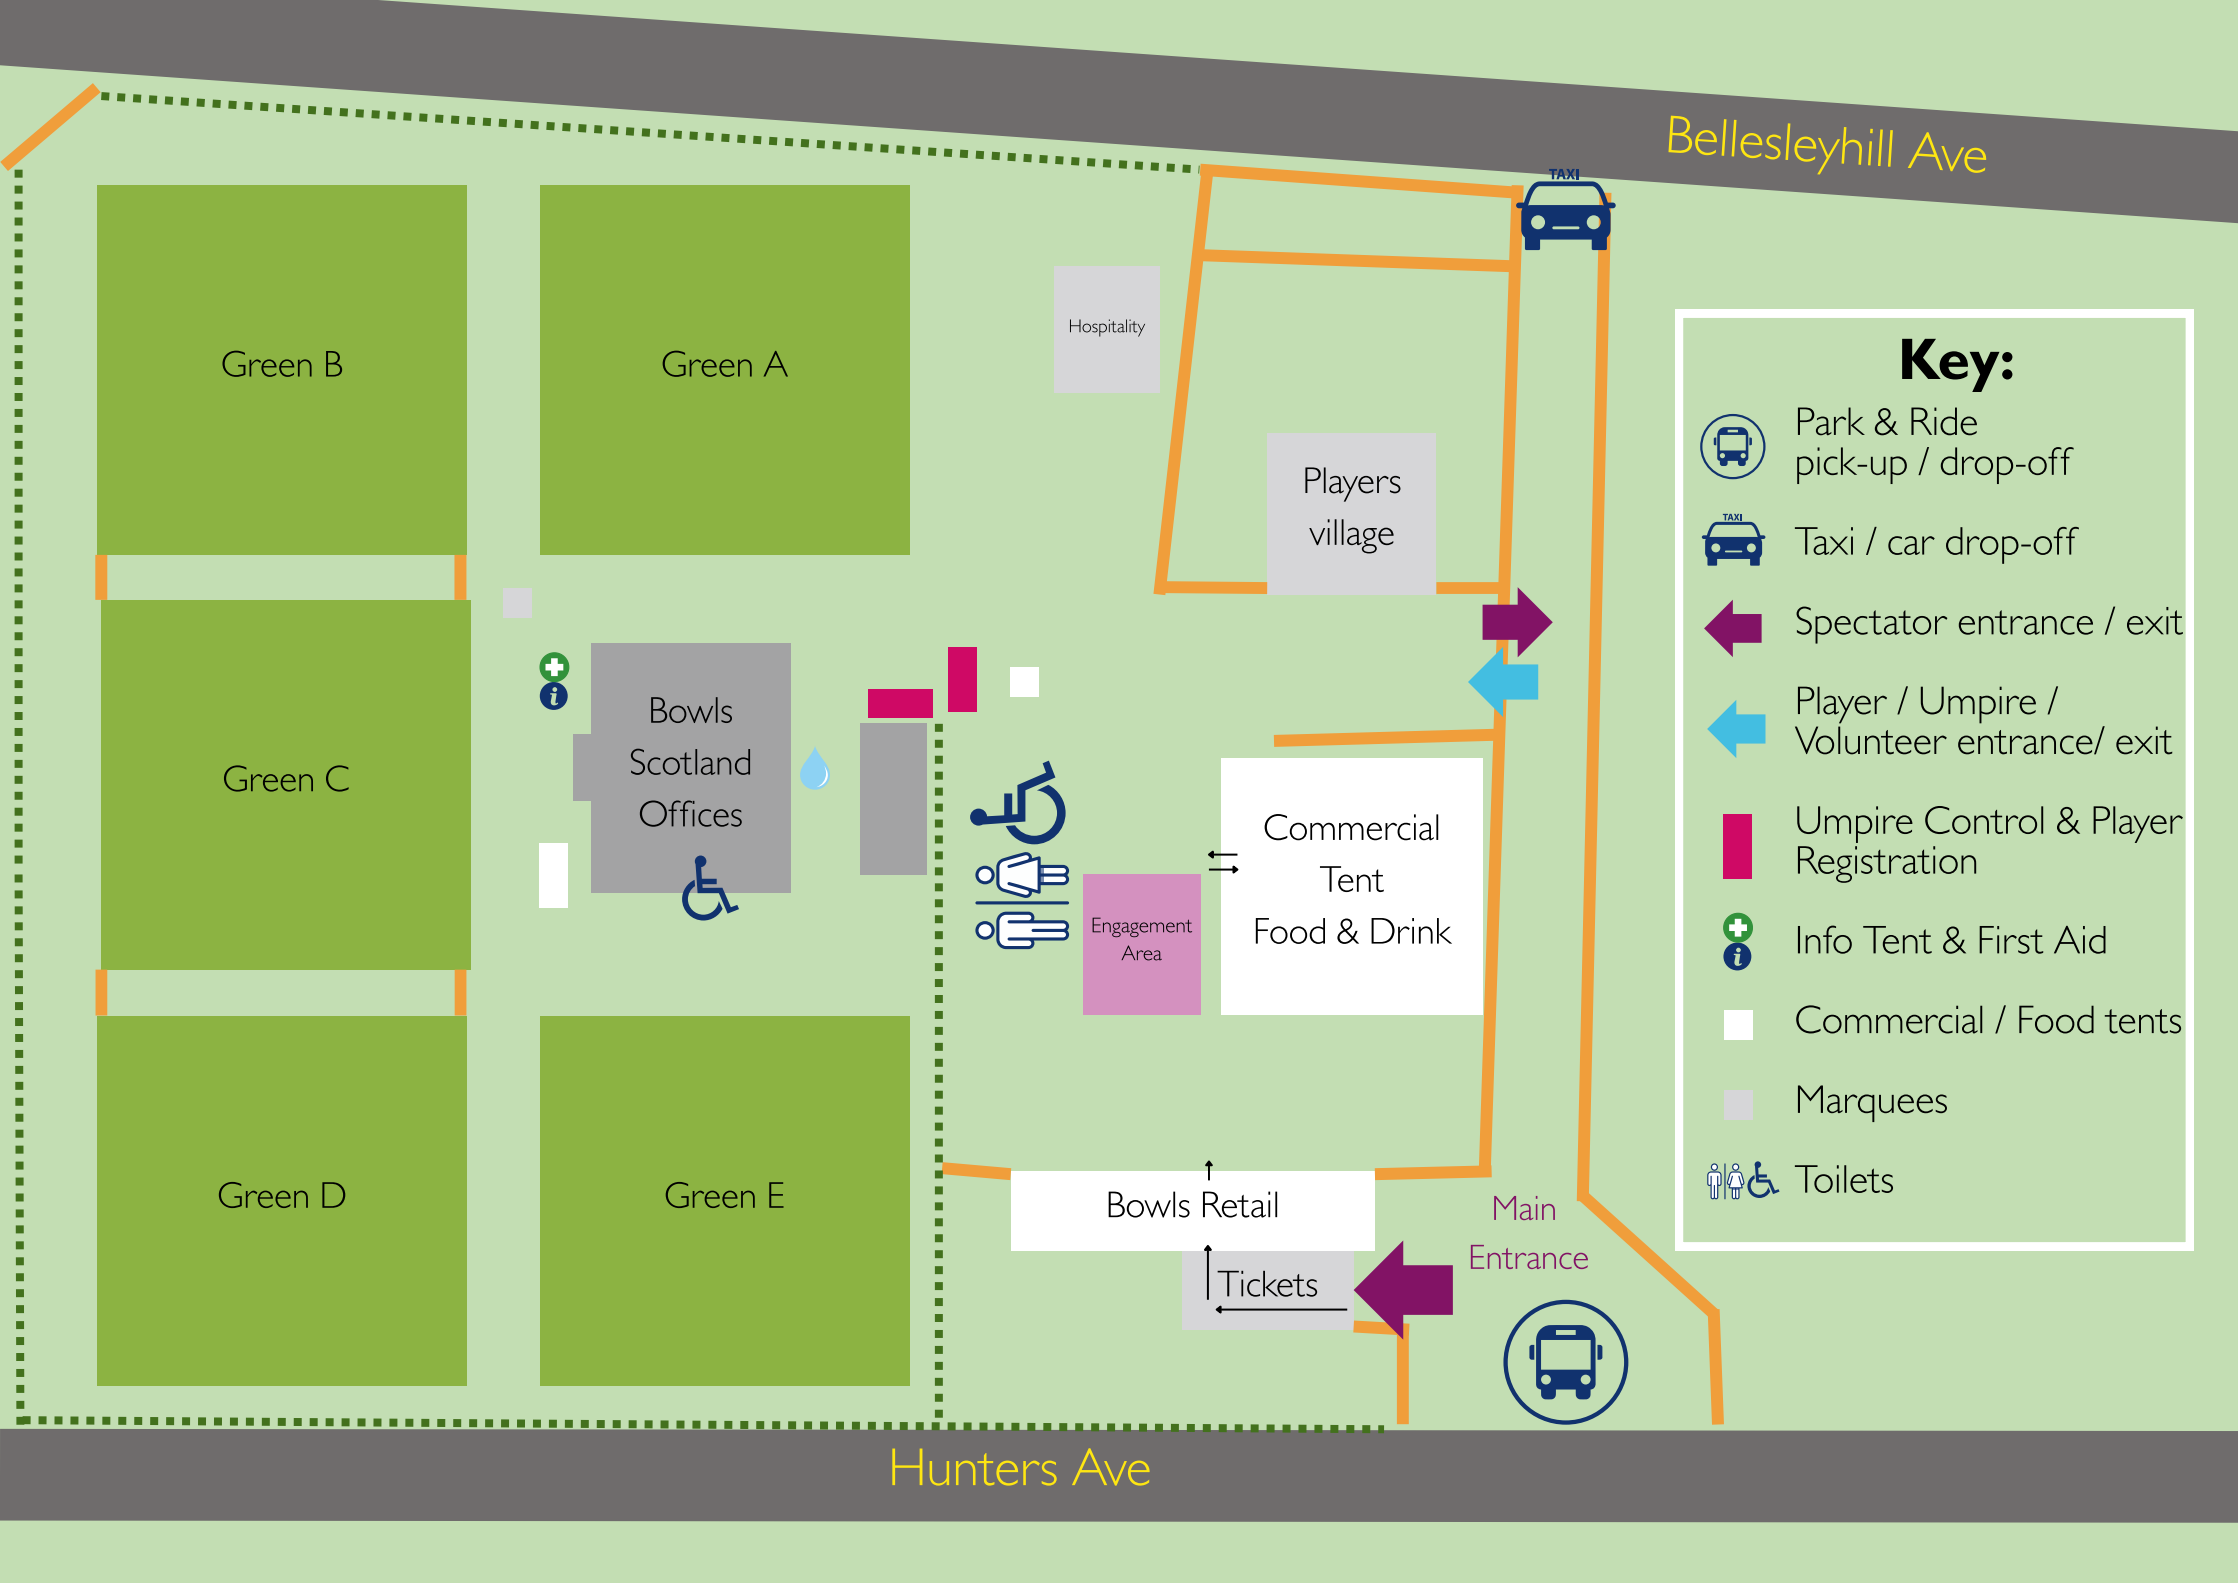

A big thank you to all the District Co-Ordinator's and District Youth Co-Ordinator's who organised stage 1 of the championships. Without your commitment this event would not be possible. Also thanks to all the volunteers and umpires who have given up their time to assist at these championships.

The staff at Bowls Scotland must be thanked for pulling everything together to hopefully make this week the best experience it can be for all the players and their supporters.

I am sure we will see great bowling from top players, whatever the weather. I hope you all enjoy your time here and I look forward to meeting you around the greens.

Keith Fender
Bowls Scotland President

FAQS

TICKETING AND ENTRY

Does a disabled person get in free?

No. But, if a carer is required, then the carer enters free of charge – entry fees apply to all other persons.

Disabled toilets are located when you come out the retail marquee across from the catering marquee and ramp access is available on all greens. Catering and Retail areas are also wheelchair accessible.

What does my entry price cover?

Once inside the venue you can experience the Championships. You may need to buy something to eat or drink. However, we've tailored the menu so that there is something for everyone at an affordable price. It really is a great value day out, especially with children under 16 entering free.

What are the opening and closing times?

Entrance gates (on Hunters Avenue) – 8am to 6pm

Catering facilities – 8am to 6pm

Main Bar – 11am to end of play

Retail marquee – 8am to 6pm

*Times are subject to change according to start and end of play on each day and at the discretion of The Competitions and Events Team.

GETTING HERE

Is parking available?

There is no public parking available at The National Centre for Bowling or on the surrounding streets during the event, even for blue badge holders. We encourage spectators to use public transport or our dedicated Park and Ride service on Afton Avenue, Prestwick, KA9 2AA.

What about disabled parking?

Disabled blue badge parking is at the Park and Ride on Afton Avenue. Stewards will be able to advise on where to park and accessible buses are available.

What is the best time to avoid the queues?

The National Championships attracts big crowds. This will inevitably result in some delays in entering the site at peak times.

Using public transport can actually enhance your journey. Our best advice is to arrive early – gates open at 8am (times are subject to change according to start and end of play on each day and at the discretion of The Competitions and Events Team).

Will there be queues to get into the Park & Ride car park?

There may be small delays at peak times. Again, our best advice is to arrive early. Car parking stewards will guide you to a space and shuttle buses run every 10 minutes at peak times.

VOLUNTEERS

We would like to take this opportunity to thank our dedicated team of volunteers for the 2025 National Championships.

Without people giving up their time, the event would not be able to run smoothly and successfully. Bowling clubs across Scotland are forever indebted to hard working volunteers and our National Championships are certainly no different.

First introduced in 2022, we will once again be presenting a 'Volunteer of the Week' trophy to one of our amazing volunteers who has gone above and beyond throughout the Championships. Look out for their presentation during the week!
